REMARKS – General

5 By the above amendment, the applicant has rewritten all the claims to define the invention more particularly and distinctly so as to overcome the technical rejections and define the invention patentably over the prior art.

10 **The Claim 10-22 rejections under 35 U.S.C. 102(e) as being anticipated by Shimomura et al. (US Patent 6,418,131) has been overcome**

The last O.A. rejected the Claims 10-22. Applicant requests reconsideration of these rejections.

15 The applicant has rewrite the claim to reflect the differences and novelty over prior art. Accordingly applicant submit that the new claim dose comply with § 102 and therefore requests withdrawal of these rejections.

Conclusion

20 For all of the above reasons, the applicant submits that the specification and claims are now in proper form, and that the claims all define patentably over the prior art. Therefore he submits that this application is now in condition for allowance, which action he respectfully solicits.
